How many people under 18 live in your household?

Continue

Your life map

This life map has 54 questions. It will take approximately 35 minutes to complete!

Continue

Click on **Green**, **Amber** or **Red**

INCOME AND EMPLOYMENT

Stable Income

Our household income is stable.

Our household income doesn't change that much.

Our household income always goes up and down and we can't plan ahead.

NOTE: You can skip a question if you would prefer not to answer, however if the answer is not applicable then you must enter **GREEN** because this indicator is not a problem for you!

Skip This Question

INTERIORITY AND MOTIVATION

Entrepreneurial Spirit

Indicator Definition

The person proactively - not reactively - seeks to solve the situations they are faced with. Learns from mistakes and keeps trying to make their idea a reality. Spreads their enthusiasm to achieve goals and generate commitment with those who surround them. This is true for different aspects of life (Social, personal, work).

In our household we have goals and we know how to achieve them.

In our household we have some goals, but can't always achieve them.

In our household we don't have goals, or want any change.

Click on 'i' for more information about the indicator
